QUESTIONS TO ASK

Hygienists & Assistants

What if you could say goodbye to gooey trap cleaning chairside?

Dentists

Do you prefer suction performance in different Ops?

Office Managers

Have I mentioned Bio-Pure can free up your staff time, cost less, and it has multiple applications?

FEATURES & BENEFITS

- Simple to use.
- Guaranteed to improve suction performance.
- Living microbes clean between uses (24-7).
- 100% natural non-foaming with neutral pH.
- Use 2x per week or daily.
- Costs less per Op weekly (\$2.42 vs. avg. \$3.50-\$4.00).
- Recommended by techs & equip. manuf.
- Amalgam filter safe and approved.
- Multi-Use: cleans eVac, clogged drains, septic tanks, aquariums, & eliminates odors in plaster traps & cuspidors.
